COMMUNITY NEWSLETTER PUBLISHED

Shelton's new community newsletter, COMMUNITY SCENE, is now in the mail to various people in our area. Many thanks to all the people who have helped me with this publication. Without your support, it never would have come about. A special thanks to the people in Trade and Industrial Education (T&I). They did the printing for the newsletter. Lyda Black at the Technical Division ran the labels for me through the Word Processor and Bill Stringfellow, drafting instructor, designed the logo.
